PROFESSIONAL EXPERIENCE

Digital Communications Head and Founder

Mar 2024 – Present

Social Communications and Mass Media Pilar – Our Lady of the Pillar Shrine | Pilar, Sorsogon

- Founded and lead the digital communications and mass media function, overseeing social media, content planning, campaign execution, multimedia production, website updates, and digital operations.
- Manage content across Facebook, TikTok, Instagram, and YouTube, including editorial calendars, announcements, event coverage, promotional campaigns, and community communications.
- Develop brand-consistent graphics, posters, carousels, infographics, Reels, Stories, thumbnails, promotional videos, and event documentation using Canva and Adobe tools.
- Led digital promotion for major parish events, feast-day campaigns, community initiatives, and fundraising programs using coordinated multi-format content.
- Managed a Facebook presence associated with Del Pilar Parish reaching 10K+ followers; monitored audience response, comments, messages, and engagement to improve communications.
- Led the “Bitoon nin Paglaom” fundraising campaign, raising approximately ₱60,000 through campaign planning, promotional content, stakeholder communications, and organized follow-up.
- Supported livestream operations through OBS Studio, camera operation, audio-visual coordination, technical troubleshooting, and live-event production for Masses and special events.
- Updated website content and supported SEO through keyword-aligned copy, metadata updates, structured information, and content optimization.

Social Media / Marketing Lead

2024 – Present

Larpi | Pilar, Sorsogon

- Create and manage social media content, promotional campaigns, and digital marketing materials for a local food and beverage business.
- Support brand positioning and audience engagement through promotional graphics, short-form content, announcements, and campaign-based posting.
- Contribute to an online community of 17K+ followers through consistent content, promotions, and audience interaction.

Owner & E-Commerce Manager

2022 – Present

PJRS Online Shop (Lazada & Shopee) | Pilar, Sorsogon

- Manage end-to-end e-commerce operations, including product listings, product copy, pricing, inventory, promotions, order processing, customer service, and fulfillment.
- Create product descriptions and digital marketing content and monitor marketplace analytics, sales performance, customer feedback, and campaign results.

Co-Owner & Operations Manager

2022 – Present

Just Flowers Flower Shop | Pilar, Sorsogon

- Manage online and physical operations while developing social media content, promotional campaigns, and customer communications to support brand awareness and sales.
- Coordinate customer inquiries, orders, suppliers, delivery, inventory, pricing, and service quality across digital and physical channels.

Information Technology Intern

Feb 2026 – May 2026

Office of the VP for Research, Development, and Extension – Bicol University | Legazpi City

- Updated, tested, and maintained website and system features; supported content workflows, dashboards, reporting visibility, and stakeholder-facing digital tools.
- Provided technical and multimedia support for meetings, presentations, and events using Google Meet, Zoom, and audio-visual tools.

SELECTED LEADERSHIP & CAMPAIGN EXPERIENCE

Vice President

Aug 2024 – Dec 2025

Ministry of Altar Servers – Our Lady of the Pillar Shrine | Pilar, Sorsogon

- Led ministry programs, meetings, parish activities, and large-scale events, coordinating registration, communications, volunteers, promotional materials, logistics, technical operations, and post-event evaluation.
- Led a fire-victims fundraising campaign that raised over ₱200,000 through communications, promotional outreach, donation coordination, and stakeholder follow-up.
- Managed the 2024 ministry merchandise fundraising program, including product planning, promotional content, inventory, sales monitoring, and financial tracking.

Project Manager / Software Development Lead

Jan 2025 – Jan 2026

IROQuest Capstone Project | Bicol University

- Led end-to-end planning and implementation of a web-based international mobility service management system, coordinating timelines, tasks, requirements, testing, documentation, and stakeholder presentations.
